

# ANNUAL REPORT 2018

**Dhaka Electric Supply Company Limited**

দিনের বেলায় জানালার পর্দা  
সরিয়ে রাখুন, সূর্যের আলো  
ব্যবহার করুন।

দোকান, শপিং মল,  
বাসা-বাড়িতে অপ্রয়োজনীয়  
আলোকসজ্জা পরিহার করুন।

গ্রাহক হয়রানি সম্পর্কে অভিযোগ  
থাকলে ডেসকো'র কর্তৃপক্ষকে  
অবহিত করুন।

আপনার সন্তানকে বিদ্যুতের  
সংশয়ী ব্যবহার সম্পর্কে শিক্ষা  
দিন।

আপনার বাড়ী/স্থাপনায় সোলার  
প্যানেল থাকলে তার ব্যবহার  
নিশ্চিত করুন।

বিদ্যুৎ ব্যবহারে সাশ্রয়ী হোন,  
অন্যকে ব্যবহারের সুযোগ দিন।

নতুন বিদ্যুৎ সংযোগ গ্রহণে সরাসরি  
ডেসকো'র অফিসে যোগাযোগ করুন।

অবৈধ বিদ্যুৎ ব্যবহারকারীদের  
বিরুদ্ধে সোচ্চার হোন।

উন্নয়ন যদি চাই  
বিদ্যুৎ সাশ্রয়ের বিকল্প নাই।

বিদ্যুৎ সাশ্রয়ী যন্ত্রপাতি ব্যবহার করুন  
এসির তাপমাত্রা ২৫° সেলসিয়াস বা তার উপরে রাখুন।

## About Us

As a part of on-going Power Sector Reforms by way of unbundling the power sector and increasing efficiency in the area of generation, transmission and distribution, Dhaka Electric Supply Co. Ltd. (DESCO) was created as a distribution company in November 1996 under the Companies Act 1994 as a Public Limited Company with an Authorized Capital of Tk. 5.00 billion. However, the operational activities of DESCO at field level commenced on September 24, 1998 by taking over of the electric distribution system of Mirpur area from erstwhile Dhaka Electric Supply Authority (DESA). During inception consumer strength was 71,161 and a load demand 90 MW. In the subsequent years of successful operation and better performance, the operational area of DESCO was expanded through inclusion of Gulshan Circle in April, 2003 and Tongi Pourashava Area in March, 2007.

### Brief History

The electricity supply industry in South Asia started with the commissioning of the first power station in the 1890s. The first effort to structure a legal framework for the industry came in 1910 with the enactment of the Indian Electricity Act, 1910. In 1947, at the time of independence of India & Pakistan, the installed generating capacity in the then East Pakistan was only 21 MW.

In an effort to expeditiously augment generation capacity to feed a developing economy, the then Government of Pakistan issued an ordinance in 1959 creating the East Pakistan Water and Power Development Authority (EPWAPDA). Shortly after the creation of an independent Bangladesh, in 1972, the first Government of Bangladesh, in an effort to speed up the investment in the sector issued an Ordinance creating the Bangladesh Power Development Board (BPDB) as the successor organization of the power side of EPWAPDA.

In order to intensify the pace of rural electrification, the Government issued an ordinance in 1977 establishing the Rural Electrification Board (REB). In 1990, another ordinance was issued, which was subsequently enacted as an Act transferring the 132 KV, 33 KV Transmission and distribution system in the Greater Dhaka Area including the Metropolitan City to a newly created Government agency called the Dhaka Electric supply Authority (DESA).

Although several ordinances amending the Electricity Act, 1910 had been promulgated, none of them addressed issues involving the commercial nature of the sector, which continued to be treated as an extension of the Government

providing social goods for the people. From 1986 onwards, the commercial performance of the BPDB deteriorated and during 1991, BPDB's average gross systems loss was about 42 percent and accounts receivables in excess of 6.5 months of billing.

As part of the "Reforms-Funding" linkage agreed between the development partners and the Government, the implementation of Part (C) of the Project has been linked to redefining the franchise area of DESA and handing over of distribution networks outside Metropolitan Dhaka City to PBSs under REB, and formation of a corporatized Dhaka Electric Supply company (DESCO) which will initially take over part of the distribution network of DESA and ultimately take over all its assets.

The formation of this company is seen as an essential step towards "corporatization and commercialization" of the sector and to reduce the excessive inefficiency in the distribution network in the capital. Due to paucity of financial resources with the Government, there is an urgent need to induct private sector participation in the power sector. This participation will not be forthcoming unless the financial inflow to the sector enables the sector to earn a positive return. Since cash inflows to the sector come only from distribution agencies. There is an urgent need to improve their efficiencies, if private sector investments are to be attracted in any part of the power system.

The Dhaka area is the largest single distribution territory consuming about 50 percent of the total electricity sold in Bangladesh. DESA, which is the distribution agency for the Dhaka area has a poor performance record with respect to system losses and accounts receivables. Although the performance has improved considerable since 1992 on account of intensive monitoring, there is a limit to the gains that can be made and it is felt that further progress can be achieved on a sustainable basis only if there is a change in the business environment, both external and internal to the organization, which will enable introduction of more sophisticated control and management systems, and also organizational accountability.

ADB observed that the prevailed organizational arrangements including management structure, employee compensation, delegation of authority, conduct, discipline and appeal rules and promotion policies are based on the civil service

rules and arrangements which is not well suited to the functioning of a commercially oriented sector such as the power sector. It is therefore necessary to create new organization with its own rules and regulation that is more suited to the new business environment that is now being created in the power sector.

The new company (DESCO) is being created as a public sector company, incorporated under the Companies Act 1994 as a subsidiary of DESA. However, shares of the company offered to the private sector, other power sector entities and the general public to make the DESCO's management more responsive to its consumers.

### Service Territory

The company obtained license from Bangladesh Energy Regulatory Commission (BERC) for distribution of 850 MW of Electricity at the area bounded by (i) Balu River including Purbachal New Town in the East (ii) Turag and Balu River

including Tongi Pourashava in the North (iii) Turag River in the West and (v) from Amin Bazar Bridge to Mirpur Road, Agargaon Road, Agargaon-Old Airport link Road, New Airport Road, Mymensing Road, Tongi Diversion Road, Mohakhali Jheel, Rampura Jheel connected with Balu River in the south. The total area is around 400 square kilometers. As per the License, DESCO can receive power at 132KV & 33KV voltage levels and distribute the power at 33KV, 11KV & 0.4KV voltage level.

### Shareholders

In 2006 we were listed with the Dhaka and Chittagong Stock Exchanges. Government of Peoples' Republic of Bangladesh holds 67.63% of the shares represented by Bangladesh Power Development Board and abolished DESA. 21.22% shares hold by the Institutional investors and rest of the 11.15% shares owned by other shareholders.

### Employees

More than 1500 people directly employed and around 1700 people indirectly employed (outsourced) for the services of Commercial Operation Support, Line and Equipment Maintenance, Substation Maintenance, Office Security and Office up keeping. It's the people who brings the progress of the company every day.

## Footsteps toward progress

Inception of the company

1996

Takeover of Mirpur Circle and  
Commencement of commercial  
operation

1998

2003

Takeover of Gulshan Circle

2004

Establishment of Sales and Distri-  
bution Divisions

Inauguration of Prepaid  
Metering System at Uttara

2005

Company Listed in Dhaka And  
Chittagong Stock Exchanges Ltd.

2006

2007

Takeover of Tongi Pourashava area  
Obtained Distribution License

2008

System Loss reduced to single digit  
Inauguration of e-Governance

Introduction of online bill  
payment system

2010

Online application for New Electric  
Connection

2012

2014

Establishment of Live Payment  
Gateway

2017

Inception of smart pre-payment  
metering system

ISO 9001:2015 Certification for  
Quality Management System

2018

## Award and Recognition

ISO 9001:2015 Certification for Quality Management System

Best Stall Award in Power and Energy Week 2018  
Awarded by Ministry of Power, Energy and Mineral Resources

Recognition for 100 percent ADP Implementation 2017-18  
By Power Division, Ministry of Power, Energy and Mineral Resources

Innovation Showcasing Award 2018  
By Power Division, Ministry of Power, Energy and Mineral Resources

Best Organization Award in 4<sup>th</sup> Development Fair 2018 organized by Dhaka District Administration

National Mobile Application Award 2016-Champion (Business and e-commerce Category)  
Awarded by ICT Division, Ministry of Post and Telecommunication in Bangladesh in Collaboration with World Summit Mobile Award.

Best corporate award 2015 (Special Category)  
Awarded by Institute of Cost and Management Accountants of Bangladesh (ICMAB)

National Digital innovation Award - 2011 (e-Finance Category, Runner up)  
Awarded by Ministry of Science and ICT, Govt. of People's Republic of Bangladesh and D-Net.

12th National Award for Best published Accounts and Reports - 2011 (First Prize, Service Sector Category)  
Awarded by Institute of Chartered Accountants

## Products and Services

### Post Paid connections

230 Volt Single Phase (up to 7KW load demand)  
 400 Volt Three Phase (8 Kw to 50 Kw load demand)  
 11 Kilo Volt Medium Tension (50 Kw to 5 Mw load demand)  
 33 Kilo Volt High Tension (5 Mw to 30 Mw load demand)

### Pre-Paid connections

230 Volt Single Phase (up to 7kw load demand)  
 400 Volt Three Phase (above 7kw to 49kw load demand)

### Services

Providing New Electric Connection of Different Category  
 Load Extension of Existing Consumer  
 Line Extension  
 Customer requested shutdown  
 Disconnection and Re-connection of Customer Connection  
 Transformer given on Rental  
 Supply of Electric Line Accessories  
 Electric Line and Substation Maintenance  
 Testing and Installation of Customers' Meter  
 Feasibility Study for line extension  
 Inspection of Solar Panel  
 Tariff Change  
 Re-print of Electric Bill

Bill payment statements and Certificate Delivery  
 Prepaid Card issue and re-issue  
 Service Cable Change at Customer Premises  
 Meter Change at Customer Premises  
 Customer Meter Change (with or without accessories)  
 Rental of Trolley mounted transformers (for maximum 30 days)

### Post Paid Bill Payment Services

Bill collection booths adjacent to the respective sales and distribution division  
 Almost every branches of every bank within the distribution territory of the Company  
 Online bill collection through Debit and Credit Cards  
 Payment through Mobile Banking  
 Bill payment through mobile phone operators  
 Bill payment through live payment gateway

### Pre-paid meter Recharge Service

Vending Station adjacent to the respective sales and distribution division  
 Vending Station on the different branches of different Bank  
 Mobile Banking (Like bKash, Surecash, Rocket, Gpay)  
 On line payment through mobile apps  
 Rocket, Gpay)  
 On line payment through mobile apps

**Commitment to Sustainability:** Always remain vigilant for growth and prosperity with sustainability.

## Chairman's Message

Dhaka Electric Supply Company Ltd. (DESCO) is one of the pioneering companies in power sector of Bangladesh, which is engaged to supply power to the northern part of the capital and its adjacent areas. Our efforts are centered in better customer service, uninterrupted and quality power supply and addition of value to its customers.

It is known to all that Government of Bangladesh has formulated 'Vision 2041' to become a high-income country by 2041. In order to achieve that goal Power Division, Ministry of Power, Energy and Mineral Resources has prepared a Power System Master Plan 2016. In that Master Plan, there are short-term, mid-term and long-term planning which are also entangled to achieve Sustainable Development Goals (SDGs) set by United Nations. Power Division has taken a lot of programs, as a result, power production situation has significantly improved. At present, Government has focused on improvement of transmission and distribution systems. In line with the Government's programme, DESCO continued to invest in infrastructure development, system stability improvement, capacity building, safety and security of the people, in other words, to develop the system as a whole. There are several ongoing projects for construction of Grid Substations, Distribution Substations, underground Grid Network, renovation or up-gradation of Distribution Network, installation of Supervisory Control and Data Acquisition System

(SCADA), modernization of Grid Substations, Modernization of Metering System, introduction of Geographical Information System, development of human resources, adoption of State of Art Information Technology etc. DESCO is going to construct of its own Head Office building, which will be a landmark of Dhaka City having six basement floor, which is the first time in Bangladesh.

There are some challenges as well, such as timely implementation of the projects, maintaining high standard of ethics and morale of the employees. In order to face the challenge in maintaining high standard of customer services, we have formulated time bounded action plan for project implementation, and undertaken for extensive training programme for the employees.

In this journey, we are thankful to Government of the People's Republic of Bangladesh, our development partners Asian Development Bank (ADB), Asian Infrastructure and Investment Bank (AIIB), Japan International Cooperation Agency (JICA) for their cooperation. Our sincerest appreciation is extended to shareholders, customers, other stakeholders for their continuous support to the Board and our employees for their firm commitment and dedication in performing their duties.

**Md. Mahbub-ul-Alam**  
Chairman, DESCO Board

## চেয়ারম্যানের কথা

ঢাকা ইলেকট্রিক সাপ্লাই কোম্পানি লিমিটেড (ডেসকো) বাংলাদেশের বিদ্যুৎ বিতরণ কোম্পানিগুলোর মধ্যে অন্যতম গুরুত্বপূর্ণ কোম্পানি। ডেসকো রাজধানী ঢাকার উত্তরাংশ এবং এর পাশ্চাতী এলাকায় বিদ্যুৎ সরবরাহের দায়িত্বে নিয়োজিত রয়েছে। গ্রাহকগণ-কে নিরবচ্ছিন্ন ও মানসম্পন্ন বিদ্যুৎ সরবরাহ এবং উন্নত সেবা প্রদান করা কোম্পানি'র অন্যতম কাজ।

সকলে জানেন যে, বাংলাদেশকে ২০৪১ সালের মধ্যে উচ্চ আয়ের দেশে পরিণত করা সরকারের ভিশন-২০৪১ এর মূল উদ্দেশ্য। জাতিসংঘ ঘোষিত টেকসই উন্নয়ন লক্ষ্যমাত্রা (SDG)-কে সামনে রেখে দেশের বিদ্যুৎ ব্যবস্থায় আমূল পরিবর্তনের জন্য বিদ্যুৎ বিভাগ, বিদ্যুৎ, জ্বালানি ও খনিজ সম্পদ মন্ত্রণালয় পাওয়ার সিস্টেম মাস্টার প্ল্যান ২০১৬ প্রণয়ন করেছে। উক্ত মাস্টার প্ল্যান অনুযায়ী স্বল্প, মধ্য ও দীর্ঘ মেয়াদি পরিকল্পনা গ্রহণ করা হয়েছে। বিদ্যুৎ বিভাগ কর্তৃক বিভিন্ন কর্মসূচী গ্রহণের ফলে এখন বিদ্যুৎ উৎপাদন যথেষ্ট পরিমানে বৃদ্ধি পেয়েছে। বর্তমানে সরকার বিদ্যুৎ সংকলন ও বিতরণ ব্যবস্থা উন্নয়নের প্রতি বিশেষ গুরুত্ব প্রদান করছে।

সরকারের উপরোক্ত কর্মসূচির সাথে সঙ্গতি রেখে ডেসকো বিভিন্ন উন্নয়ন প্রকল্পের বিনিয়োগ অব্যাহত রেখেছে। উক্ত প্রকল্পসমূহের মধ্যে উল্লেখযোগ্য হলোঃ বিতরণ ব্যবস্থার আধুনিকায়ন, বিতরণ সামর্থ্য বৃদ্ধি, কোম্পানি'র জনবল ও সম্পদের নিরাপত্তা ইত্যাদি। এছাড়াও বৈদ্যুতিক গ্রিড উপকেন্দ্র নির্মাণ, বিদ্যুৎ বিতরণ উপকেন্দ্র নির্মাণ, ভূ-গর্ভস্থ গ্রীড নেটওয়ার্ক নির্মাণ, বৈদ্যুতিক লাইন ও যন্ত্রপাতির আধুনিকায়ন ও উন্নয়ন সাধন, মিটারিং পদ্ধতির আধুনিকায়ন, স্ক্যাডা সিস্টেম স্থাপন, জিআইএস

এপ্লিকেশন প্রবর্তন, মানব সম্পদ উন্নয়ন এবং তথ্য ও প্রযুক্তি খাতের সর্বোত্তম ব্যবহার নিশ্চিত করণ। ঢাকা-ময়মনসিংহ রোডের পাশে ৪৯/এ নিকুঞ্জ-২, খিলক্ষেত, ঢাকায় আধুনিক স্থাপত্য শৈলী'র বাংলাদেশে প্রথম ৬ বেজমেন্ট বিশিষ্ট নিজস্ব প্রধান কার্যালয় ভবন নির্মাণের কাজ শুরু হয়েছে যা দেশের একটি অন্যতম বৈশিষ্ট সম্পন্ন ভবন হিসেবে চিহ্নিত হবে।

ডেসকো'র বেশ কিছু চ্যালেঞ্জ রয়েছে। তন্মধ্যে সময়মত প্রকল্পের কাজ সম্পন্ন করা এবং কর্মকর্তা/কর্মচারীগণের সততা ও নৈতিকতার উন্নতি সাধন ইত্যাদি। উন্নততর গ্রাহক সেবা নিশ্চিতকরণের স্বার্থে ব্যাপক প্রশিক্ষণ কার্যক্রম গ্রহণ করা হয়েছে। এছাড়াও প্রকল্প বাস্তবায়নের ক্ষেত্রে সময় আবদ্ধ কর্মপরিকল্পনা (Time bounded action plan) বাস্তবায়িত হচ্ছে।

আমাদের এ অগ্রযাত্রায় সহায়ক হিসাবে ভূমিকা পালন করার গণপ্রজাতন্ত্রী বাংলাদেশ সরকার, এশীয় উন্নয়ন ব্যাংক (এডিবি), এশীয় অবকাঠামো ও বিনিয়োগ ব্যাংক (এআইআইবি), জাপান আন্তর্জাতিক সহযোগী সংস্থা (জাইকা) এর প্রতি আমরা আন্তরিকভাবে কৃতজ্ঞ। এছাড়াও ডেসকো বোর্ডের সম্মানিত সদস্যগণের সার্বিক সহযোগিতা, সম্মানিত বিনিয়োগকারীগণের আস্থা এবং ডেসকো'র কর্মকর্তা/কর্মচারীগণের আন্তরিক প্রচেষ্টায় ডেসকো উত্তরোত্তর উন্নতি করছে তাঁদের প্রতিও প্রাণঢালা অভিনন্দন।

মোঃ মাহবুব-উল-আলম  
চেয়ারম্যান, ডেসকো বোর্ড।

## Management Discussion and Analysis

### Dear Shareholders,

Our efforts are centered in transforming this company financially viable and more customer friendly organization. We have taken several projects to cater the future load demand in consistent with the power generation growth. Upon successfully completion of the projects, DESCO will be able to provide power to all the customers in its area up to 2025. We tried to make the services more accessible through innovation and introducing customer friendly smart pre-paid metering system. We have shifted from our rented installations and housed in our own premises in order to reduce the cost. We always encourage the use of information technology to ease our services for our customers. In this respect we are using e-governance software since 2008. We also introduced web-based Store Management Software for bringing efficiency in store management. We also achieved ISO 9001:2015 certification for quality management system of the company.

### Accounting Policies and estimation

The Financial statement have been prepared on historical cost conversion in accordance with IFRS, except otherwise mentioned, and are in compliance with the relevant requirement of the Companies Act, 1994, the securities and exchange rules 1987 and other applicable law and regulations.

### Analysis on Financial Results

In 2017-18 the Company generated Tk. 3,715.22 crores in revenue which was 3401.22 crores in last year, representing growth of 9.23%, and generated net profit after tax of Tk. 50.42 crore which was 17.58 crore in last year, representing growth 186.80%. In June 30, 2018, number of customers was 880,505. During the year the company acquired 62,359 customers. The growth of customer is 7.62%. Energy sales increased due to increase of retail tariff (4.36%) from 1st December 2017 and increase of number of consumer. Energy purchase increased due to increase of bulk tariff (3.69%) from 1st December 2017 and increase of number of consumers.

### Acknowledgement

The Audit Committee expresses its sincere thanks to the Members of the Board and the Management of DESCO for their excellent support in carrying out the duties and responsibilities of the committee during the period under review.

**A. K. M. Humayun Kabir**  
Chairman, Audit Committee

## Directors' Report

## Dear Shareholders,

We are delighted to present the Directors' Report and Audited Financial Statements together with the Auditors' Report thereon for the year ended on June 30, 2017.

## Electricity in Bangladesh

Electricity business in Bangladesh is dominated by the Government Companies/ Authority. Government has a vision to supply electricity to all with a reasonable and affordable cost by 2021. According to Power Sector Master Plan, generation of electricity will be enhanced to 24 thousand Megawatt by 2021 and 40 thousand megawatt by 2030. Government aims to erect 9,560 Circuit Kilometer transmission line and 1 lac Kilometer distribution line in this regard.

Currently power production capacity of Bangladesh is approximately 20 thousand megawatt with over 100 numbers of power plants (including captive power plants). Power production has been enhanced from 220 kW to 464 kW per head per year. Now 90% of population is under electricity facility. National Budget for power sector was 26,292 crore taka for the financial year 2017-18. Around 2 crore people are getting power through 53 lac off-grid solar home system.

Source: Annual Report 2017-18 of Power Division

## Industry outlook

Power Sector of Bangladesh are segregated in three type of companies according to their functions. Power Generation responsibility lays on Bangladesh Power Development Board (BPDB) and its subsidiary companies. There are several Independent or Private or Rental Power Producers companies including REB who sell electricity to BPDB.

Power Grid Company of Bangladesh Ltd (PGCB) has the sole responsibility to transmit the electricity from different power stations to different distribution entities through High Voltage Grid Network.

The responsibility of distributing electricity across the country is shared by various public companies like BPDB, Dhaka Electricity Supply Company (DESCO), Dhaka Power Distribution Company (DPDC), Rural Electrification Board through various Palli Biddut Samity (PBS), West Zone Power Distribution Company (WZPDCO), Northern Electricity Supply Company Ltd. (NESCO) each having respective franchise area.

## Product-wise performance

Income from energy sales for FY 2017-18 from different tariff category i.e. Domestic (LT-A), Non-Residential (LT-D1), Commercial & Office (LT-E), Medium Voltage (MT-1, MT-2, MT-3, MT-4, MT-5, MT-6) and Construction & Others (LT-C1, LT-T) is 3,181.09 Crore, which is 9.14% higher than that of the previous year. On the other hand, revenue from Agricultural Pump (LT-B), Small Industries (LT-C1), High Voltage (HT-1, HT-2) and Street Light & Pump (LT-D2) is 124.37 crore, which is 9.9% lower than that of the previous year. However, overall revenue from Energy Sales increase by 10.05%. DESCO purchase Electricity solely from Bangladesh Power Development Board (BPDB) at the rate of Tk 6.13/kWh (including wheeling charge).

## Risks and concerns

The Board of Directors always concern about the different aspect of risks in the company. They provide time to time guidance of different risks issues. The main objectives of those guidance are:

- a) Ensure safety, security and health of the employees.
- b) Ensure continuity of power supply to the customers.
- c) Protect company's assets and reputation.
- d) Effective operation without hampering community interest and environment.
- e) Protect the interest of the other stakeholders.
- f) Create and promote risk awareness culture within the company.
- g) Compliance with all legal guidance..

DESCO adopts following mechanisms to mitigate the risks: a) Internal control system; b) Control on financial reporting; c) Internal audit; d) External audit; e) Budgetary control; and f) adoption of operational manual, grid code, security manual etc.

#### **Cost of Goods sold, Gross Profit and Net Profit**

Electricity is purchased solely from Bangladesh Power Development Board at the rate of Tk. 6.066/kwh effective from 01 December 2017. The company also pays wheeling charge to Power Grid Company of Bangladesh Ltd at Tk. 0.2791/kwh. Company also incurs operating expenses like Administrative Expenses, Commercial Operation Support Service, Scheduled and Preventive Maintenance, Special Action Team and Collection Drive, Consultancy for Staking sheet, Maintenance of Distribution Lines and Equipment, Repair and Maintenance of substations and Transformers etc. It also pays Bangladesh Energy Regulatory Commission License Fee, Listing Fee of the Exchanges, System Operating Fee to BERC. The detailed are discussed in Note 25 to 27 of the Financial Statements.

Gross profit of the company increased by taka 72.79 crore from last financial year. Profit before tax is also increased by taka 44.49 crore mainly because of effective of new tariff rate and enhancement of sale.

Net profit margin for the year 2017-18 was 1.39 % compared to 0.35% in last year. Net profit after tax in 2017-18 increased by 186% due to effective of new tariff rate and enhancement of sale.

#### **Extraordinary gain or loss**

Exchange fluctuation loss of Tk. 495,464,021/- has arisen out of translation of foreign currency loan (in US dollar) into taka at Financial Position date at the rate of Tk. 83.70/\$1 (2016-17: at Tk. 80.60/\$1). On the other hand, Interest income of this year increased by 0.80% and Interest Expense against GOB & ADB Loan increased by 23.21%.

#### **Related party transaction statement**

DESCO purchase power from Bangladesh Power Development Board who holds 67.63% shares of the company. DESCO paid 3,132 Crore taka to BPDB against power purchase bill. On the other hand, Dhaka Power Distribution Company Ltd., who have common Directors (Managing Directors of both companies are director of other company). Last financial year DESCO paid Taka 19.63 Lac against consumer bills which was outstanding from Dhaka Electric Supply Authority (DESA) period.

#### **Utilization of proceed raised through Direct Listing**

DESCO offloaded its 25% shares i.e. 31,77,985 of taka 100 each held by Dhaka Electric Supply Authority (DESA) in the year 2006 and further 10% i.e. 2,93,10,425 number of shares of taka 10 each in the year 2017. All proceeds are paid to DESA and Bangladesh Power Development Board against the asset of Mirpur Circle of DESA.

#### **Financial Results after Direct Listing**

Financial Results did not deteriorate after listing with the exchanges.

#### **Variance between Quarterly and Annual Financial Statements**

There exists no significant variance between First Quarter (Q1) and Second Quarter (Q2) financial statements. Due to increase of retail tariff effective from 1st December 2017 net profit increased slightly in Annual Financial Statements.

Operating revenue decreased in Third Quarter (Q3) due to low power demand for winter season. Which reflect in the Annual Financial Statements.

#### **Board Meetings, Attendance and Remuneration**

During the financial year 21 (Twenty-One) Board Meetings were held. As per corporate governance guidelines the Company Secretary and CFO attended all meetings. The attendance record of the Board Meeting is shown at **Annexure- I** of this report. No remuneration was paid to the Directors apart from their meeting attendance fees

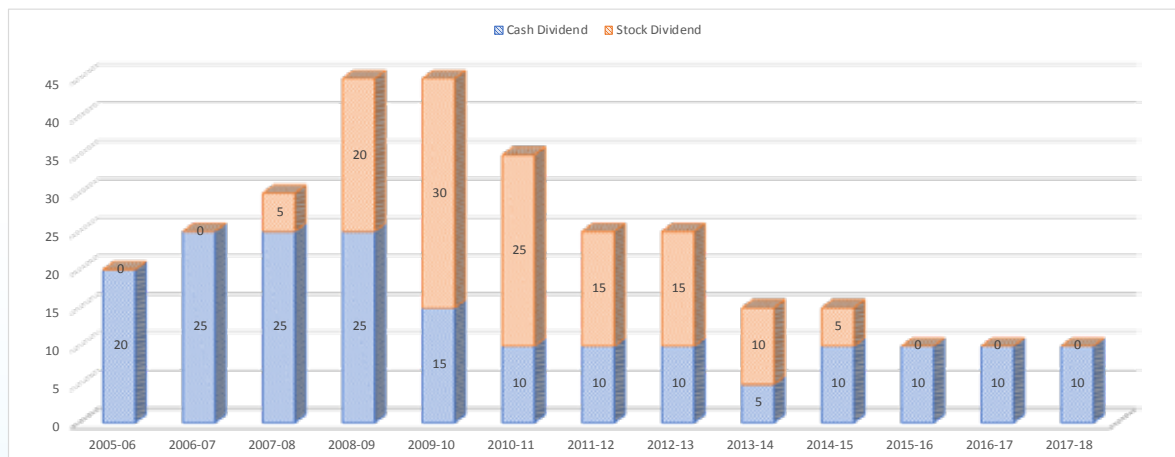

#### **Other Regulatory Disclosures**

The Company is hereby declaring that:

- a) The financial statements prepared by the management present fairly its state of affairs, the result of its operations, cash flows and changes in equity.
- b) Proper books of accounts have been maintained.
- c) Appropriate accounting policies have been constantly applied in preparation of the financial statements and that the accounting estimates are based on reasonable and prudent judgement.
- d) International Accounting standards (IAS) or International Financial Reporting Standard (IFRS), as applicable in Bangladesh, have been followed in preparation of the financial statements and any departure there from has been adequately disclosed.
- e) The system of Internal Control is sound in design and has been effectively implemented and monitored.
- f) Minority shareholders have been protected from abusive actions by, or in the interest of, controlling shareholders acting either directly or indirectly and have effective means of redress.
- g) There is no significant doubt upon the company's ability to continue as a going concern.
- h) No bonus share or stock dividend has been or shall be declared as interim dividend.

### Dividend

Based on the performance of the Company, the Board of Directors recommends 10% cash dividend for the financial year 2017-18. Since listing with the exchanges, the company paid dividend to its valued shareholders on regular basis.

### Shareholding Pattern

The pattern of shareholding along with the name-wise details of (i) Parent/Subsidiary/ Associated Companies and other related parties; (ii) Shareholding of Directors; (iii) Shareholding of Chief Executive Officer (CEO), Chief Financial Officer (CFO), Company Secretary (CS) and Head of Internal Audit (HIA); (iv) Shareholding of Senior Executives (Top five salaried persons other than CEO, CFO, CS, HIA) and (v) Shareholder(s) holding 10% or more voting interest in the company as on 30 June 2018 are shown at **Annexure-II**.

### Internal Audit

Internal Audit division is responsible for performing various audit programs relating to different functions and activities of DESCO for ensuring transparency & accountability in its activities with a aim to provide better service to its valued customers. For this purpose, the Internal Audit division performs various audit programs round the year. The audit program in a certain division is performed by the Internal Audit division employee along with other staff of the organization, when required, who are not directly involved in the activities of that division.

### Responsibilities of the Board

Section 181 of the Companies Act 1994 requires Directors to ensure that the Company keeps proper books of accounts of all transactions and prepare financial statements that give a true and fair view of the state of the Company's affairs and of the profit for the year.

The Directors are also required to ensure that the financial statements have been prepared and presented in accordance with the requirements of the International Accounting Standards/ International Financial Reporting Standards as adopted by the Institute of Chartered Accountants of Bangladesh and provide the information required by the Companies Act 1994, Securities and Exchange Ordinance 1969, Securities and Exchange Commission Rules 1987 and the regulations of the Dhaka / Chittagong Stock Exchanges. They are also responsible for taking reasonable measures to safeguard the assets of the Company, and in that context to establish appropriate systems of internal control with a view to the prevention and detection of any fraud and other irregularities.

The Directors have always recognized the important role played by the honorable Shareholders of the Company in assisting the Board to implement proper corporate governance. The Company also welcomes the active participation of the Shareholders at the Annual General Meetings and solicits their views at all times, promoting healthy dialogue. Whenever possible, the Company has also implemented suggestions of the shareholders. The Board and the Company Management constantly interacts with the shareholders of the Company through quarterly and annual publications of financial statements, meetings and other forms of communications.

In discharging its responsibilities, the Board is guided by the regulations contained in the Memorandum and Articles of Association of the Company, the Companies Act, 1994, relevant applicable regulations, BSEC Codes of Corporate Governance, Listing Regulations, Company's Standards of Business Conduct, Business Principles, Statement of Delegated Authorities, and other generally accepted corporate best practices.

### Chairman of the Board

The Chairman is elected by the Board of Directors and the Board considers the Chairman being independent.

### Roles and Responsibilities of the Chairman

- The Chairman's responsibility is defined by the Board as directed by BSEC's notification on Corporate Governance Code.
- As Chairman of the Board of Directors (or Chairman of any Committee formed by the Board), does not personally possess the jurisdiction to apply policy making or executive authority, he does not participate in or interfere into the administration or operational and routine affairs of the Company.
- The Chairman ensures that the Board is functioning in accordance with the Memorandum and Articles of Association of the Company as well as other applicable laws.
- The Chairman presides over meetings of the Board and Shareholders and ensures good Corporate Governance in it conducts.
- The Chairman maintains relations with the relevant stakeholders in consultation with the Board as well as the Managing Director, representing the Company as a good/responsible corporate citizen.

The Chairman may assume any responsibility if the Board assigns within the purview of the relevant Rules, Regulations, Acts and Articles.

### Managing Director

The Managing Director is responsible for driving business operations, leading the development and execution of the Company's long-term strategies with a view to creating shareholders' value. His leadership role also entails being ultimately responsible for all day-to-day management decisions and for implementing the Company's long and short-term plans. He acts as a direct liaison between the Board and Management of the Company and communicates to the Board on behalf of the Management. He also communicates on behalf of the Company to the shareholders, employees, Government authorities, other stakeholders and the public.

### Executive Director (Finance and Accounts)

He is the Chief Financial Officer of the Company and reports directly to the Managing Director. He is responsible for managing the financial and accounts of business in totality and ascertaining a continuous growth with improved performance enabling the organization to increase profitability. He should interact with the Board and take directives from the Board in order to uphold the interest of the stakeholders and maintain transparency. He will be responsible for all major decisions related to Finance, Accounts and ICT matters.

### Company Secretary

The Board has appointed a Company Secretary in order to maintain the necessary link and liaison with the internal organs, as well as external agencies, and also to ensure effective collection, compilation and timely flow of information to and from the Board. The Corporate Governance Code issued by BSEC also require a listed company to appoint a Company Secretary. Being a governance official, the Company Secretary drives for corporate compliance and provides support to the Chairman and other members of the Board to ensure effective functioning of the Board. The Company Secretary organizes and attends all Board and Committee meetings (Audit Committee), and ensures that deliberations on all issues are properly minuted, decisions recorded and are duly communicated across the respective authorities for necessary information/actions.

### Head of Internal Audit

Deputy General Manager (Internal Audit) is the head of the Internal Audit Department reporting to the Managing Director with collective responsible for the audit related tasks and services used in DESCO and to manage proper financial procedures and systems are operated and maintained. To ensure that all expenses data is properly submitted and that all expenses are reasonable and allocable and conform to principles and guidelines. To ensure that all auditing process is carried to highest standard of probity.

### Key Performance Indicator

Key Performance Indicator (KPI) is a set of quantifiable measures that an organization uses to measure or compare performance in terms of meeting their strategic and operational goals. An organization may use KPIs to evaluate its success, or to evaluate the success of a particular activity in which it is engaged.

A Memorandum of Understanding (MOU), in this regard, was signed between Power Division, Ministry of Power, Energy & Mineral Resources (MPEMR) and DESCO with a set of Key Performance Targets for the Fiscal Year 2017-18. The following table shows DESCO's success in attaining all the targets.

Sl. No.	Indicators	Units	Target	Achievement
1	Construction of distribution lines	KM	150	257.25
2	Construction/Capacity enhancement of distribution Sub-station	MVA	100	126
3	Distribution System Loss	%	<=7.5	7.18
4	Accounts Receivables	Eqv. months	<=1.7	1.62

### Human Resource Development

DESCO has been given due emphasis on human resource development through intensive training programs. In this connection all aspects of Technical, Administrative, Financial and ICT have been incorporated in annual training plan. Special emphasis has also been given on operation & maintenance of distribution network, protection, safety, discipline, Etiquette, Manner, Customer Care Excellence, e-filing, e-GP, Good Governance, Innovation, Financial Management and Information Technology. Targeted 1,526 employees (Year to Date Average) received 1,13,760 Man-hours of In-house, Outsource, On Job and Foreign training under the supervision of Human Resource Management Division. Besides In-house trainings, employees also participate in trainings/ seminars/ workshops in external organizations in home and abroad.

### Corporate Social Responsibility (CSR)

The ethos of DESCO for pursuing its activities in social arena has got further momentum with continuous enthusiasm and support of the stakeholders. Besides running on commercial basis, DESCO also recognizes some social responsibilities such as collects electricity bills at a nominal rate from the Ijtema Committee, provides support to the freedom fighters & the family of the National Poet Late Kazi Nazrul Islam and also contribution to other social activities as decided by the Board from time to time.

### Contribution to the Exchequer

Since commencement of its operation, DESCO has been contributing substantial amount to the National Exchequer by way of VAT and Taxes as shown in the table below:

VAT and Income Tax	2013-14	2014-15	2015-16	2016-17	2017-18
VAT from Electricity Bills	1,184	1,362	1,504	1,709	1,778

### Statutory Auditors

Artisan, Chartered Accountants, the existing statutory auditors of the Company shall retire in the AGM upon accomplishment of consecutive 3 years' audit of the company. As per clause 15 of the DSE (Listing) Regulation 2015, DESCO shall have to appoint new audit firm for the next period.

In this respect, Rahman Mostafa Alam & Co., Chartered Accountants, Paramount Heights (7th Floor D2 & C1), 65/2/1 Box Culvert Road, Purana Paltan, Dhaka-1000 express their willingness vide its letter dated 29/09/2018 to be appointed as statutory auditors of the company for the financial Year 2018-19 with audit fee not below the amount fixed by the shareholder at last AGM of the company.

As per Corporate Governance Code issued by Bangladesh Securities and Exchange Commission (BSEC) on June 03, 2018, existing firm, Al Muqtadir Associates, Chartered Secretaries, expressed their interest to continue for certification on compliance of Corporate Governance Code with a fee not less than the amount paid last year.

## Audit Committee

As a measure of ensuring transparency and good Governance in its functional area DESCO has formed a 4-member Audit Committee of the Board headed by an Independent Director A. K. M. Humayun Kabir, Additional Secretary Development-5 Power Division, Ministry of Power, Energy & Mineral Resources. The other members of the Committee are (2) Engr. Md. Rabiul Hasnat, Director, Real Estate & Housing Association of Bangladesh (REHAB) (3) Md. Saiful Islam and (4) S. M. Zamil Hussain. The attendance record of the Audit Committee is shown at **Annexure-III**.

## Election of Directors

In terms of Article 86 of the Articles of Association of the Company, (i) Md. Mahbub-ul-Alam, ndc, Additional Secretary, Power Division, Ministry of Power, Energy & Mineral Resources, (ii) Abul Bashar Mohammed Fakhruzzaman, PS to Honorable State Minister, Ministry of Power, Energy & Mineral Resources, (iii) Md. Anisur Rahman, Managing Director, Winner Consultants Ltd, and (iv) Md. Anwarul Islam, Managing Director, ARS Lube Bangladesh Ltd. will retire by rotation. However, as per article 87, the retiring Directors are eligible to be re-elected as Directors of the Company.

On contrary, (1) Brig Gen Md Shahid Sarwar, ndc, psc (Retd), Managing Director, Dhaka Electric Supply Company Ltd., (2) Engr. Bikash Dewan, Managing Director, Dhaka Power Distribution Company Ltd. (3) Md. Zahurul Haque, Additional Secretary, Power Division, Ministry of Power, Energy & Mineral Resources, (4) Mr. A. K. M. Humayun Kabir Addl. Secretary, Power Division, MPEMR, (5) Mohammad Alauddin, Joint Secretary, Power Division, Ministry of Power, Energy & Mineral Resources, (6) Dr. S. Shahnawaz Ahmed, Professor, Electrical and Electronic Engineering, Bangladesh University of Engineering and Technology (BUET), (7) Engr. Ataul Mahmud, Ex-Vice President (Service and Welfare), Institute of Engineers, Bangladesh (IEB) and (8) Engr. Md. Rabiul Hasnat, Director, Real Estate & Housing Association of Bangladesh (REHAB) shall continue to act as Directors of the Board.

Brief Resumes of the Directors proposed to be elected/re-elected are shown under **Annexure-IV** of this report.

## Corporate Governance Compliance Report

Dhaka Electric Supply Company Limited (DESCO) to this end has complied with all the requirements of Corporate Governance Code. Accordingly, Corporate Governance Compliance Report is shown with Corporate Governance Compliance Certificate at page 93 of this report.

## Commercial Activities

### New Connections

56,266 new connections have been added to our system this year. With these new connections, the total number of electric connections under DESCO stands at 880,505 at the end of the financial year.

Consumer Category

Category Wise Consumption

### Disconnection / Reconnections

Disconnection of electric line has been considered to be an effective tool to recover outstanding bills/dues. By applying this tool a total number of 44,371 defaulting consumers' services were disconnected during the financial year. Moreover, 7,822 illegal consumer services were traced and disconnected during the financial year.

During the financial year, 33,733 consumers were given re-connection on recovery of their outstanding dues and realization of penalty bill as applicable. An aggregate amount of Tk. 61.37 crore was realized from the defaulting consumers and Tk. 9.36 crore against penal/supplementary bills. All those initiatives are implemented with the help of outsourced contractors and Mobile Court.

### Metering

As the meters are considered as 'cash box' of the Company, DESCO has left no stone unturned to change defective meters, sealing meters and inspecting meters regularly. During the financial year, 17,117 nos. of defective meters were changed and 28,352 nos. of meters were inspected.

### Annual Bill Clearance Certificate

In order to attain satisfaction of the consumers, DESCO issues bill payment clearance certificates to those consumers who do not have any dues.

### Consumer Complaints

DESCO continuously strives to offer 'service excellence' to its valued consumers. Consumer complaints in terms of the billing errors, rectification of names and addresses are seriously attended. During the financial year, 14,088 nos of bills were corrected. Names and addresses of 5,032 nos. of consumers were corrected upon verification on the basis of consumer complaints.

### Prepaid Metering

DESCO has introduced a modern consumer friendly Pre-Paid metering system for its valued consumers since 2005. Smart Card Base Pre-Paid Metering system having both way communication facilities allowed the customers to pay their electricity bills in advance through DESCO's vending station. While it enables the company to synchronize the relevant data regarding consumer electricity usages.

With a view to facilitating incessant supply of Pre-Paid meter in future, DESCO has set up a "Meter Plant" at Mirpur on 2007. The company has manufactured and installed 20,000 Single Phase and 3000 three phase Pre-Paid Meters. Around 1,40,295 nos of valued consumers are enjoying electricity by Pre-Paid metering facilities at DESCO area up to June 30, 2018. The area covered by Pre-Paid meter are Uttara East, Uttara West, Uttarkhan, Dakshin Khan, Baridhara, Agargoan, Kafrul, Monipur, Pallabi, Rupnagar Sales & Distribution Division. These installed meters were installed which have integrated with Unified Smart Pre-Paid Metering Software to enhance the consumer service.

### Billing/ Collection

The primary objective of maintaining the financial potency of the company is achieved by constant efforts to uphold a vigorous billing/collection ratio.

Considering sales at Tk. 36,376.40 million and collection at Tk. 36,204.11 million, the billing collection ratio works out at 99.53% and the Collection/Import (C.I.) ratio to 93.52% this financial year.

### Accounts Receivable/ Sales

One of the indicators of efficient financial management is to decrease the accounts receivable/sales ratio. The Company maintains a system of continuous monitoring of accounts receivable by way of monthly reports and analysis. The Accounts Receivable/ Sales ratio works out to 11.31% this year as against 11.93% in the previous year.

## System Loss

This is a key performance indicator of any electricity distribution company and is determined by the quantity of energy purchased and sold. The system loss works out to 7.18% in this FY 2017-18 as against 7.24% in the previous year.

## One Point Service Center

Customer satisfaction is the key to success of any company. Our customers are our prime focus and we are to ensure satisfactory customer service as deemed suitable. The issue is seriously considered by DESCO, which led to the establishment of Customers' "One Point Service Center" in each of the Sales and Distribution Divisions. Any consumer coming to DESCO's Sales & Distribution Division office, may receive desired service and solution from the staff of the "One Point Service Centre". The Customer Service Centers are under continuous improvement in order to raise its performance standard up to the desired level. For this purpose, DESCO is giving emphasis on routine training of the employees.

## Citizen Charter

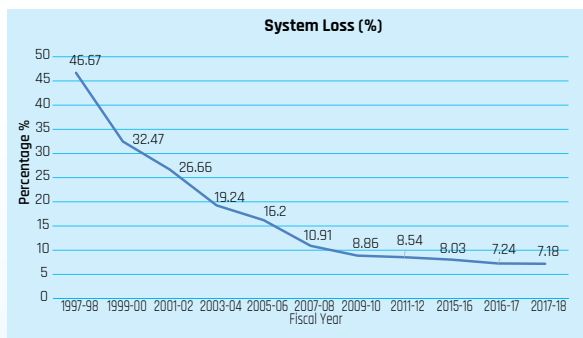

This is an official document of the organization's commitment to its consumers. The Citizen Charter makes it very clear that the services required from DESCO by its customers are their rights rather than considering that as favour to them. The increasing demand by the public for time bound services will bring qualitative improvement in services by DESCO and the charter will help DESCO to evaluate the delivery of services.

DESCO's citizen Charter is kept displayed at its Customer Service Centers for awareness of the customers. There are also some printed leaflets on different category of services available at the Customer Service Centers of DESCO. DESCO's Citizen Charter is also available in DESCO website.

## Technical Activities

### Load Growth

Load Demand in the distribution area are gradually increasing. In the year 2017-18 the maximum demand in DESCO area was 935 MW. The trends are shown below:

## Substation

DESCO always feels to be consistent with load growth and capacity enhancement. As such it took various projects for capacity building. In FY 2017-18, the company has increased power handling capacity of 90/126 MVA (113 MW) this year.

Sl. No.	Name of the Substation	Capacity (MVA)
01	Dhamalkot (Addition)	1x20/28
02	ADA (Upgradation)	1x10/14
03	Grid Project at Uttara 3rd Phase (New)	3x20/28
Total Capacity Increased		90/126 MVA (113 MW Max.)

### Electric Line Construction

Every year DESCO expands its source line and distribution network. The following table shows a picture of electric line construction carried out during the financial year 2016-17 and 2017-18.

46.75	Type of Line	Level	Length	
			2016-17 Circuit KM	2017-18 Circuit KM
1	O/H Line Construction	33 kV	-	-
2		11 kV	53.23	102.88
3		11/0.4 kV	19.76	56.20
4		0.4 kV	42.05	46.44
			115.95	204.36
5	U/G Line Construction	33 kV	27.07	17.88
6		11 kV	58.28	33.86
Sub Total			85.34	51.74
7	Renovation		46.75	50.51

### Distribution Transformer

In order to cater the increasing load demand and enhance distribution capacity, DESCO has installed 356 nos. of three phase 200 KVA 11/0.4KV and 95 nos. Single phase 25 KVA transformers, in addition to transformers installed by the consumers at their own accord.

### Energy Saving & Use of Alternative Energy

Power saving means Power generation. Aiming this motto, DESCO has undertaken measures through distributing leaf-lets, displaying posters and festoons encouraging the consumers to use energy efficient appliances in their homes/offices, turning off lights and fans when not in use and replacing the incandescent lamp by LED etc.

To encourage the use of renewable energy, DESCO ensured installation of eco-friendly Solar Panel of capacity around 4,549.81 kwp by installing 27,616 nos. of solar panel at consumers premises up to June 30, 2018. Beside this DESCO installed solar panel of capacity 149.71 kwp at its 428 nos. own installations during the said period.

### e-Governance

It necessitates efficient use of electronic state management system based on Information & Communication Technology (ICT) including the Internet Technology. The main purpose is to ensure good governance in all functional areas of the establishment.

To keep it with the modern technological advancement in IT (Information Technology) sector and to make the utility management more efficient, DESCO management decided to develop an accountable and transparent governance system with a unified approach. As a consequence, One Point Service Centre, Complaint Management, New Connection, Monthly Bill Collection, Miscellaneous Bill Collection, DESCO Website and E-mail Communication, Inter Office Wide Area Network (WAN) Connectivity has been successfully developed and implemented.

### Digital Services

To achieve "Vision 2021" of digital Bangladesh, DESCO has introduced internet-based self-services. Now DESCO provide following digital Services:

- ✓ Bill Payment through SMS (2009)
- ✓ Online Bill Payment (2010)
- ✓ On-Line Application for New Connection (2012)

- ✓ Online Job Application (2012)
- ✓ Mobile Banking Bill Payment (2014)
- ✓ Payment through Live Payment Gateway (2014)
- ✓ Mobile Application for Post Paid Consumers (2016)

### **e-GP (e-Tendering)**

Since the Government has decided to introduce e-Tender system to put an end to tender manipulation, DESCO has introduced e-Tendering system to facilitate its procurement process. The main functions are online bidder registration, email acknowledgement of new tender according to bidder's interest list, online bid participation, edit submitted documents/bids till closing date, online tender specification with a comprehensive security. This system prepares customized comparison sheet of the submitted bids to accelerate the evaluation process.

### **Mobile Application**

DESCO Mobile App was launched with a view to provide extended support and service to DESCO's consumers by letting them to collect various information regarding their bills, electricity usage, S&D Divisions etc. and pay bills using their Smartphones through various electronic payment channels such as Debit/Credit Cards, Internet Banking & Mobile Banking.

Complying with our Prime Minister Sheikh Hasina's announcement, and the present Government's vision of building a "Digital Bangladesh" by 2021, DESCO took the initiative to launch this Mobile App along with its other relevant efforts.

Since DESCO is a utility service provider, the business model of DESCO app is not basically revenue generating. Rather, DESCO's primary objective was to create a hassle-free and friendly model to its consumers in relation to bill payment and information collection. It has been observed that people today do not like to visit banks or other premises and stand in long queue wasting their time, money and energy just to pay a bill. They like to pay online using their mobile devices. This would increase consumers' satisfaction and encourage them to pay bills in timely manner, which would bring benefit to DESCO at large. Now with the inception of the DESCO mobile app, any consumer can pay bill from Anywhere, Anytime!

### **Looking into Future**

DESCO has completed a study to ascertain the load demand and consumer growth in DESCO area up to the year 2030 with every 5 years phasing. The report shows that the load demand of DESCO will increase to 1,964 MVA, 3108 MVA, and 4827 MVA by the year 2020, 2025 and 2030 respectively. DESCO has planned to cater this increasing load demand accordingly. In this regard, 72 nos. of new 33/11 kV Substations and 17 nos. of new 132/33kV Grid Substations will be required to construct along with up gradation of some existing sub-stations.

Two new townships namely "Purbachal Model Town" and "Uttara Model Town (3rd Phase)" are being developed by RAJUK in the DESCO area. These new townships have already been added to DESCO's operational area. Electrical network development for this area has already been taken up by DESCO. The load demand of "Purbachal Model Town" and "Uttara Model Town (3rd Phase)" are expected to be about 500 MW and 352 MW respectively.

Besides, DESCO has taken initiatives to implement Geographic Information System (GIS) based application in its area. In this regard, appointment of consulting firm is under process. In addition, Dhaka Electric Supply Company Limited (DESCO) has appointed International Consulting Firm for Feasibility Study, Preparation of Detailed Drawing, Design and Estimate of Underground Electric Distribution Network in DESCO area, consultant is working now.

### **New development projects**

There are seven new projects which are ongoing at this moment. These will enhance the DESCO's infrastructure capacity up to 2818MVA, cover approximately 11, 60,000 nos. of consumer and power handling capacity around 2265 MW. These projects are financed by Asian Development Bank (ADB) under Power System Expansion and Efficiency Improvement Investment Program, Tranche-2, Asian Infrastructure and Investment Bank (AIIB), under distribution system upgrade and expansion project and Japan International Cooperation Agency (JICA), under

Dhaka Underground Substation Construction Project to meet the load demand up to the year 2025. Total cost of the said 06 projects has been estimated approximately Tk. 5000 crore and the aforementioned 05 (five) projects out of 07 (six) expected to be completed within June 2019 and the remaining 02 (two) projects will be completed by 2023. Major components and current status of the said projects are as below:

#### **Construction of DESCO Head Office Building**

DESCO has taken an initiative to construct a 12 Storied (with six basements) Head Office building at Plot no 49/A, Nikunja-2 Area beside Dhaka-Mymensingh Highway. An open Architectural Design competition was arranged through Institute of Architects Bangladesh (IAB) for selecting the design. Among 69 (sixty-nine) participants in the competition, the best design was selected by the jury board comprised of renowned architects and expert members.

The Head office building will be "Iconic" and prestigious one with the state-of-the-art facilities. Highly Energy efficient, sufficient natural light usage provision, safe & secure, sustainable and symbolic to electricity distribution business. Complex shall be as per RAJUK approved layout plan with well air ventilation system and there shall be capacity of office arrangements of head office officers and staffs to carry out their official activities. Total land area of the building site is 40.25 katha (28,980 sq.ft.). The total buildable area would be 2,71,114.62 sq.ft. Car parking and utility facility in basements, Bank, ATM, vending station, waiting room, Reception, Office Room for building maintenance, convenience store, kiosk at the ground floor. The project is expected to be completed within 2021.

#### **Construction of 132/33/11 kV Grid Substations**

This project includes installation & commissioning of 05 new 132/33/11 kV Grid Sub-stations and installation of 128 km (21.4 double circuit km) 132 kV source lines. After completion of the project, 800/1200 MVA will be added at 33 level and 300/420MVA at 11kV level. Already, grid substation at Uttara is successfully commissioned and construction works of the remaining 04 (four) substations under this project are in full swing.

#### **Augmentation and Rehabilitation of Distribution System**

Total 16 nos. of new 33/11 kV Sub-stations will be constructed and Rehabilitation/ Augmentation of 08 nos. of 33/11 kV Sub-stations will be done on turnkey basis. New 16 substations will add 960/1344 MVA capacity and the other 8 substation which will be gone through Rehabilitation/ Augmentation process will add 160/224 MVA capacity in the existing system. This project also includes installation of 70 Circuit km of 33kV and 200 Circuit km of 11kV U/G XLPE Cable and 500 km of 11kV, 11/0.4kV and 0.4kV overhead lines. 2, 00,000 (Two) lac prepaid meter would procure under this project. Installation of 1500 nos. of 11/0.4kV & 300 nos. of 11/0.23kV

distribution transformers also performed under this project. Distribution Transformer installation, O/H and U/G line construction works are ongoing.

#### **Installation of Supervisory Control and Data Acquisition (SCADA) System**

The aim of this project is to improve the reliability, stability & operational efficiency of the Power distribution network through SCADA system in DESCO area under the finance of ADB introduced to improve reliability and stability of power distribution system and enhance operational efficiency of power distribution network engaged.

#### **Augmentation and Rehabilitation of 132/33/11 kV grid substation at Bashundhara and Uttara**

The Objective of this project to increase capacity of existing 02 Grid substations from 250/375MVA to 480/720 MVA at 33 kV level. Construction works of this project are in full swing.

#### **Conversion of existing 33 kV overhead lines into underground cables**

Objectives of this project are to increase reliability, improve power quality and increase safety of power supply. After completion of this project, no 33kV overhead lines would exist in DESCO area.

#### **Construction of 132/33/11 kV Underground Grid Substation at Gulshan in Dhaka**

It is necessary to expand the distribution capacity of substations in Dhaka immediately, however, there is another constrain, acquiring space for constructing new substations is difficult because the ratio of open space in Dhaka is less than 1 % (Dhaka Structure Plan 2016-2035), land prices is rising rapidly and a land owner does not tend to release their owned land. Therefore, it is required to realize the expansion by constructing new substations in the space which distribution companies already own without stopping operation of any existing substations. Therefore, Power Division and DESCO examined and compared the feasibility of several distribution forms to be adopted, namely indoor substation at existing area, outdoor substation at existing area, outdoor substation at outer area (utilizing new space) and Underground Substation (hereinafter referred to as "UGSS") at existing area. As a result, Power Division and DESCO concluded that adopting UGSS is most feasible, reliable and preferable. Considering the above, DESCO has taken initiative to construct an underground grid substation at Gulshan. This substation will enhance DESCO's present capacity by 360 MVA at 33 kV Level and 150 MVA at 11 kV level.

Picture: Gulshan UGSS with Superstructure

**Supply and Installation of Smart Prepayment Meter in DESCO area**

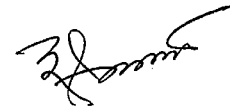

DESCO has undertaken the project in order to Supply and Installation of 2,00,000 (Two lac) smart pre-payment meter in DESCO area under GoB fund. The main objective of the project is to ensure better consumer service, load management and revenue earnings in advance through digitalization.

**Acknowledgement**

On behalf of the Board of Directors, I would like to express my sincere gratitude to all honorable shareholders, the Power Division, Ministry of Power, Energy & Mineral Resources, Economic Relations Division, Ministry of Finance, Ministry of Planning, Power Cell, Bangladesh Power Development Board (BPDB), Dhaka Power Distribution Company Ltd. (DPDC), Bangladesh Rural Electrification Board (BREB), Power Grid Company of Bangladesh (PGCB), concerned Government Departments, Asian Development Bank, World Bank, Bangladesh Securities and Exchange Commission (BSEC), Dhaka Stock Exchange Ltd. (DSE), Chittagong Stock Exchange Limited (CSE), ICB Securities Trading Company Limited, and other development partners for their continuous assistance, guidance and advice. I would also like to express my heartfelt thanks to all the employees of the company on behalf of the Board of Directors for their sincere and relentless efforts in performing their duties and responsibilities for prosperity and development of the company.

In the end, I pray to the Almighty Allah that may the Company continue its performance gloriously throughout the years ahead.

On behalf of the Board of Directors,

**Md. Mahbub-ul-Alam, ndc**  
**Chairman, DESCO Board**

**Attendance of The Board Meeting****Annexure-I**

Board Meeting and attendance during the year ended on June 30, 2018. During that year total 21 Board meeting were held.

## Auditors' Report to the Shareholders

We have audited the accompanying financial statements of Dhaka Electric Supply Company Limited (DESCO), which comprise the statement of financial position as at June 30, 2018, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended and a summary of significant accounting policies and other explanatory information.

### Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards (IFRSs), the Companies Act 1994, the Securities and Exchange Rules 1987 and other applicable laws and regulations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatements whether due to fraud and error.

### Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing (ISAs).

Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

### Basis for Qualified Opinion

As mentioned in Note 21.03 to the financial statements, the valuation of assets of Tk. 279 crore, (10.02%) out of total non-current assets of Tk. 2,784 crore, handed over by the predecessor Company - DESA to DESCO is included in the accounts of DESCO on an estimated basis and is not agreed with DESA. Both the entities are governed by Bangladesh Power Development Board (BPDB) under the Ministry of Power Energy and Mineral Resources. As per IFRS 3, para 18, Business Combination, Assets and liabilities so acquired are to be measured at their acquisition-date fair value. Updated fair valuations of those assets received from DESA were not done since 2006.

### Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements give a true and fair view of the financial position of Dhaka Electric Supply Company Limited (DESCO) as at June 30, 2018 and their financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) and comply with the Companies Act 1994, the Securities and Exchange Rules 1987 and other applicable laws and regulations.

### We also report that:

1. we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
2. in our opinion, proper books of account as required by law have been kept by the Company so far as it appeared from our examination of those books;
3. the Company's statement of financial position and statement of comprehensive income along with the annexed notes 1 to 43 dealt with by the report are in agreement with the books of account and returns; and
4. the expenditure incurred and payments made were for the purposes of the Company's business.

**Dhaka Electric Supply Company Limited (Desco)**  
**Notes to the Financial Statements**  
**For the Year ended 30 June 2018**

**1. Legal Status & Nature of the Company, Significant Accounting Policies and other Relevant Information:**

**1.1 Legal Status:**

Dhaka Electric Supply Company Limited (DESCO) was incorporated as a Public Limited Company by shares, on 03 November, 1996 with an Authorized Capital of TK.5, 000 million divided into 500 million ordinary shares of Tk.10 each as per SEC notification no SEC/CM RRCD/2009-193/109, dated: 15/09/2011. The shares of the Company have been listed and are being traded in Dhaka Stock Exchange (DSE) and Chittagong Stock Exchange (CSE) since 2006.

**1.2 Principal Activities:**

The main objective of the Company is to distribute electricity to its consumers effectively and efficiently. DESCO started its operation from 24 September 1998 in Mirpur area and as per Govt. decision the operation of greater Gulshan area was added from 09 April 2003. Further on 04 March 2007 operation of Tongi Area was also handed over from DESA to the Company.

**1.3 Basis of Accounting:**

The Financial Statements have been prepared on historical cost convention in accordance with International Financial Reporting Standards (IFRSs), except where otherwise mentioned, and are in compliance with the relevant requirements of the Companies Act, 1994, the Securities and Exchange Rules 1987 and other applicable laws and regulations.

**1.4 Property, Plant & Equipment:**

1.4.1 Valuation of Property, Plant & Equipment Purchased by DESCO

All property, plant & equipment purchased by DESCO are recorded at cost considering its purchase price and any directly attributable cost of bringing the assets to working condition for intended use inclusive of inward freight, duties and non-refundable taxes

1.4.2 Valuation of Assets taken over from DESA

1.4.2.1 Property, plant & equipment taken over from the Dhaka Electric Supply Authority (DESA) in the Mirpur area have been valued at Tk.1, 271.194 million as per joint survey report between DESA and DESCO, while those of Gulshan and Tongi areas have been provisionally estimated by DESCO at Tk.1,998.92 million and Tk.795.04 million respectively.

1.4.2.2 DESCO also took over two Grid Substations (Bashundhara and Uttara) from DESA at provisional estimated cost of Tk.1, 245.71 million, including cost of land, as per Vendor Agreement signed between DESCO and DESA.

1.4.2.3 Independent valuers had been appointed to physically verify and value the assets taken over by the company from DESA. The valuers have submitted their draft report which has been placed by the management before the Board for finalization.

**1.4.3 Depreciation:**

1.4.3.1 Depreciation is charged at straight-line method at rates varying from 2% to 20% depending on category and economic life of the assets as under:

Categories	Rate (%)
Land & Land Development	Nil
Building & other Constructions	2.5%
Distribution Equipment & Cables	3%-10%
Furniture & Fixtures	10%
Office Equipment	15%-20%
Motor Vehicles	15%

1.4.3.2 The company has acquired 0.1532 acres land from National Housing Authority (NHA) at Tk. 7.45 lac on 99 years lease in the year 2005. The amortization of the cost of this land would have been Tk. 7,529/- per year, which would not have any 'material impact' on the profitability of the company, hence no amortization has been considered.

1.4.3.3 Full year's depreciation is charged on assets acquired during the year and put into use for six months and over, while no depreciation is charged on assets acquired for less than six months during the year.

1.1.1.4 Depreciation on the assets taken over in Gulshan and Tongi area has been charged on the value and economic life as provisionally estimated by DESCO.

## 1.5 Stores and Spares:

Stores and spares have been stated at the lower of cost and net realizable value in accordance with IAS - 2 "Inventories", after making due allowance for any obsolete or slow moving items. The cost of inventories is assigned by using weighted average cost method.

## 1.6 Foreign Currency Translation:

Foreign currency transactions are translated into Taka at exchange rates prevailing on the respective dates of transaction, while foreign currency monetary liabilities at the end of the year are reported at the rate prevailing on the balance sheet date. Exchange losses/gain arising out of the said conversion is recognized as expense/ income for the year in accordance with IAS -21.

## 1.7 Revenue Recognition:

- (a) The Company recognizes revenue of energy on issue of bills to the consumers for consumption of energy, demand charge, service charge, meter and transformer rent.
- (b) Other operating income arising from connection/disconnection fees, bills against materials, meter-testing fees, LPC (Late Payment Charge) etc, are recognized on cash basis.
- (c) Interest on short-term deposits (STD) and on FDR's with banks is recognized as income on accrual basis

## 1.8 Statement of Cash Flows:

Statement of Cash Flows is prepared principally in accordance with IAS - 7 "Statement of Cash Flows" and the cash flow from operating activities has been presented under the direct method as required by the Securities and Exchange Rules 1987 and considering the provisions that "Enterprises are encouraged to Report Cash Flows from Operating Activities using the Direct Method"

## 1.9 Accounts Receivable:

Accounts Receivable for energy is stated at realizable amount less provision for doubtful debts. The company provides for doubtful debts @ 0.5% of Accounts Receivable against consumers balance standing at the balance sheet date, as decided by the Board of Directors at the meeting held on 17.04.2005.

**1.10 Related Party Transaction:**

- (a) The 'related party' as per IAS-24 is Bangladesh Power Development Board (BPDB), which holds 67.63% of the total shares outstanding.

**1.11 Earnings per Share:**

- (a) **Basic Earnings per Share (BEPS):** Basic Earnings per share has been calculated by dividing the earnings attributable to the number of shares (ordinary) outstanding during the year. However, neither the "GOB Equity" nor the "Share Deposit" amounts have been considered for determining BEPS and no shares have been allotted against these receipts.
- (b) **Weighted average Number of shares Outstanding during the year:** This represents the number of ordinary shares Outstanding at the beginning of the year plus the year the numbers of ordinary shares issued during the year multiplied by a time weighting factor. The time weighting factor is the number of days the specific shares are outstanding as a proportionate of the number of days in the year.
- (c) **Diluted Earnings Per Share:** No diluted Earnings per share was required to be calculated for the year under review as there is no scope for dilution of Earnings per share for the year.

**1.12 Retirement Benefit Plans:****(a) Contributory Provident Fund**

The Company maintains a Contributory Provident Fund (CPF), recognized by the National Board of Revenue (NBR), under which the employees contribute 10% of their basic salary to the fund. The company contributes an equal amount. The fund is managed and operated by a Board of Trustees. The net earnings of the fund are apportioned to the Fund member's accounts at the end of the year.

**(b) Gratuity**

The Company maintains a Gratuity Fund, approved by the NBR under Income Tax Ordinance, 1984. Under the Gratuity Scheme, the company pays to a retired employee, having completed at least 3 (three) years of service, at the rate of two and half months' last drawn basic salary for every completed year of service. The company pays to the fund for the liability at the end of each year considering the number of years of service of employees eligible under the scheme.

The liability shown in the Balance Sheet does not reflect the present value of the expected payments by the company's retirement plan to existing and past employees attributable to the service already rendered and is therefore not in compliance with IAS - 26.

**(c) Group Insurance**

The Company has taken Group Endowment policy for its employees and provision for the premium on the coverage is made annually.

**1.13 Taxation:****(a) Current Tax**

The tax currently payable is based on taxable profit for the year. Taxable profit differ from net profit as reported in the income statement because it excludes items of income or expenses that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the balance sheet date.

**(b) Deferred Tax Liability**

The Company accounts for deferred tax liability as per International Accounting Standard (IAS-12). Deferred Tax is provided using the liability method for all temporary timing difference arising between the tax base of assets and liabilities and their carrying value for financial reporting purposes. An appropriate proportion of provision has been considered in calculating temporary timing difference. Tax rate prevailing at the balance sheet date is used to determine deferred tax liability.

**1.14 Borrowing Cost:**

Interest on borrowed funds for ongoing projects is charged as expense.

**1.15 Reporting Currencies:**

The financial statements presented are stated in Bangladesh Taka and rounded off to the nearest integer.

**1.16 Reporting Period:**

The accounting year of the company covers the year ended from 1 July 2017 to 30 June 2018.

- (i) This represents dollars amount drawn to date translated at exchange rate prevailing at balance sheet date for import of materials/ equipment for Power System Expansion and Efficiency Improvement Investment Program (tranche-2) project under Subsidiary Loan Agreement(SLA) entered into between the Company and the Govt. of Bangladesh (GOB), the primary loan agreement being between the ADB and the GOB.
- (ii) As per the terms of the Agreement the principal amount of the subsidiary Loan repayable by DESC0 to the Government shall be in local currency equivalent, determined at official rate of exchange rate prevailing on the date of repayment. The principal amount of the subsidiary loan is repayable in 20 years including a grace period of 5 years in 30 consecutive semi- annual installments (i.e. May 15 and November 15 in each year). The foreign exchange and interest rate risks are to be borne by DESC0 during the repayment period of 20 years.
- (iii) DESC0 shall pay interest to the Government in local currency at the rate of 4% per annum. Such interest shall be calculated on the total principal amount outstanding of the subsidiary loan. The interest is payable on semi-annual basis, (i.e. May 15 and November 15, in each year).
- (iv) The term of the project under which the loan was sanctioned will expire on 30th June, 2019

### Report to the Shareholders of Dhaka Electric Supply Co. Ltd. (DESCO) on compliance with the Corporate Governance Code

(As required under the BSEC Codes of Corporate Governance)

We have examined the compliance status to the Corporate Governance Code by **Dhaka Electric Supply Co. Ltd.(DESCO)** for the year ended on 30th June 2018. This code relates to the gazette notification no: BSEC/CMRRCD/2006-158/207/Admin/80 dated the 3rd June 2018 of Bangladesh Securities and Exchange Commission (BSEC).

Such compliance with the Corporate Governance Code is the responsibility of the Company. Our examination was limited to the procedures and implementation thereof as adopted by the Management in ensuring compliance to the conditions of Corporate Governance Code. This is a scrutiny and verification and an independent audit on compliance of the conditions of Corporate Governance Code as well as provisions of the relevant Bangladesh Secretarial Standards (BSS) as adopted by the Institute of Chartered Secretaries of Bangladesh (ICSB) in so far as those standards are not inconsistent with any condition of this Corporate Governance Code.

We state that we have obtained all the information and explanations or representations, which we have required, and after due scrutiny and verification thereof, we report that in our opinion and subject to the remarks and observations as reported in the attached Compliance Statement :

- The Company has complied with the conditions of Corporate Governance Code as stipulated in the above mentioned Corporate Governance Code issued by the Commission.
- The Company has complied with the provisions of the relevant Bangladesh Secretarial Standards (BSS) as adopted by the Institute of Chartered Secretaries of Bangladesh (ICSB) as required by this Code.
- Proper books and records have been kept by the Company as required under the Companies Act 1994, the securities laws and other relevant laws, and
- The standard of governance in the Company is somewhat satisfactory.

This report, however, is no endorsement about quality of contents in the Annual Report of the Company for the year 2017-18.
